

The background is a vibrant yellow-to-orange gradient. It is decorated with black outlines of spider webs, pumpkins, and a zombie girl. The zombie girl is on the right, with green skin, black hair, and a blue dress with a brown collar. She has a surprised expression with wide eyes and an open mouth. Three black bats are flying around the text. The text is centered and reads "LES ZOMBIES" in a large, bold, black font with a distressed texture. Below it, "affrontent" is written in a simple, black, rounded font. At the bottom, "Le 1er cycle!" is written in a large, black, cursive font. The overall theme is Halloween and zombie education.
